Our health and safety ethos:

Safety is our first consideration and our highest priority in any endeavour, large or small.

Our Health and Safety Cardinal Rules are:

1. I will not be affected by **drugs and/or alcohol** whilst at work
2. I will only undertake work that I have been **authorised and trained** to undertake
3. I will not override or intentionally interfere or disrupt any **safety provision** or knowingly allow others to do so
4. I will always adhere to **isolation and lock-out** procedures
5. I will **report** all workplace Injuries, incidents and near misses
