## OUR PURPOSE

**The Sydney Cricket Ground and Allianz Stadium sit in a unique parkland environment, offering lifestyle, social and entertainment options well beyond sport – from the open spaces of Centennial Park to the retail offerings of EQ.**

For more than 160 years, sporting fans have made pilgrimages to Moore Park to follow their sports and their teams. When they arrive today, they step into the digital future at what is a standalone innovation hub of Sydney's Smart City future.

The SCG Trust exists to provide the ultimate stage for athletes of the day, as well as the ultimate experience for the people of Sydney, NSW and beyond.

## WHO WE ARE

**The Sydney Cricket and Sports Ground Trust is responsible for managing two of Australia's most celebrated sports venues – the Sydney Cricket Ground and Allianz Stadium.**

The Moore Park precinct is in the heart of Australia's most densely populated suburbs and on the doorstep of Sydney's Central Business District. It is surrounded by Centennial Park, the retail facilities of EQ and the thriving restaurant and hotel strips of Oxford Street, and Surry Hills.

Together, the SCG and Allianz Stadium provide a home for touring concerts, rugby union, rugby league, football, AFL, cricket, with several major sporting codes and clubs based at Moore Park. There is also a university campus, sports museum, fitness centre and membership club facilities.

The grounds host nearly 100 sport and entertainment events and attract more than 1.8 million visitors each year from Sydney, NSW and beyond.
